The Halestone Foundation Mission:

The Halestone Foundation enriches the Rockbridge area by providing access to quality dance experiences and education in nurturing environments. We foster the creative process, artistic excellence, and joy. We empower individuals and communities to make, perform, and experience original dance as a theoretical, technical, and expressive art.

Special thanks to:

Thank you to all of the performers today, for being part of this community and showcase. And to our instructors that created work for this performance. It has been a great privilege to work with each and every one of you. I would also like to thank the greater Halestone community; board members, family members, volunteers and loved ones.

Thank you for *coming together* to experience our Community in Motion.

Support Halestone Dance Studio

DONATE TO THE HALESTONE FOUNDATION

Students in our dance education programs gain much in addition to their dance knowledge. Our classes provide joy and self-expression through performing dance; cultivate a positive body image and self-awareness; promote increased artistic self-expression and surety; and teach physical and mental coordination, strength, flexibility and resilience. Halestone's dance education programs help raise curious, resilient, kind, and critically thinking young people, which in turn benefits our whole community. Your support makes what we do in the classroom and on the stage possible. If you would like to make a donation to support Halestone, use this link in your web browser- www.halestone.com/donate-paypal or mail a check payable to
